RANGE 2022

Take that journey on a Synch Super Monkey.

The revolutionary electric bike for those that want a unique, retro, street look.

Built in the UK, customisable to match your requirements.

**super
monkey**

Our bikes are available in five standard colours.

We also offer a custom paint service.

The options are almost limitless.

The Synch Super Monkey comes with a choice of two Bafang rear hub motors.

Back2Black

Two front end options:

Suspension forks or colour matched rigid forks.

Great White

Ocean Blue

Standard fittings include:

Tektro Hydraulic brakes
Shimano Gears
Kenda Tyres

ARMY GREEN

REDRUM

Optional extras include:

Magura Hydraulic brakes
Vee Tyres
Motorbike style front light
Mudguards
Rack

Longtail monkey

Our Longtail Super Monkey comes in black with the option to have a custom paint scheme.

Featuring the same options as the standard bike the Longtail has a frame that is 300mm longer with an additional passenger seat.
